# About Us

---

The objectives of this Chapter shall be:

- (1) to promote awareness of optical science and optical engineering among the student and local communities
- (2) to facilitate communication and interaction between students, faculty, administration and industry professionals
- (3) to interact with Optica members and its student organizations with a focus on information sharing and networking, and
- (4) to raise awareness of post-graduation opportunities for students.

Founded in 2005, then revived in 2014, and now revived again in 2022!

- student club approved by Caltech ORE
- student chapter application currently under review by Optica

# Upcoming Events

---

- Optics & Photonics Seminars:
  - Career development
  - Invited speakers from both industry and academia
- Scientific Outreach:
  - Caltech Y
  - Boys & Girls Club of Pasadena
- International Day of Light celebration (16 May 2023)
- Joint activities with other Optica student chapters
- Travelling lecturers sponsored by Optica

# Join Optica!

---

<https://www.optica.org/en-us/membership/join/individual/>

**Please ask your research adviser to pay!**

Our ability to organize events and get funding (i.e. free food!) is directly related to how many Optica student members are in the student chapter.
